Copyright

Copyright and all other rights concerning the website of Forschungszentrum Jülich are held by Forschungszentrum Jülich GmbH. Use of the information contained on the website, including excerpts, is permitted for educational, scientific or private purposes, provided the source is quoted (unless otherwise expressly stated on the respective website). Use for commercial purposes is not permitted unless explicit permission has been granted by Forschungszentrum Jülich.

Disclaimer

Contents of the Website of Forschungszentrum Jülich

This website has been compiled with due diligence. However, Forschungszentrum Jülich neither guarantees nor accepts liability for the information being continual up-to-date, complete or accurate.

All offers are subject to change and non-binding. The publisher expressly reserves the right to change, supplement, delete parts of the pages or the entire offer without prior notice, or to temporarily or permanently discontinue publication.

Links to External Websites

This website may contain links to external third-party websites. These links to third party sites do not imply approval of their contents. Responsibility for the content of these websites lies solely with the respective provider or operator of the site. Illegal contents were not recognizable at the time of setting the link. We do not accept any liability for the continual accessibility or up-to-dateness, completeness or correctness of the contents of such websites. If we become aware of any infringements of the law, we will remove such links immediately.

Data protection

Every time a user accesses a website hosted by Forschungszentrum Jülich GmbH and every time a file is requested, data connected to these processes are stored in a log. These data do not contain personal information; we are unable to trace which user accessed what information. Personal user profiles therefore cannot be created. The data that is saved will be used for statistical purposes only. This information will not be disclosed to third parties.
